ENGINEERING APPRENTICESHIPS
Recruiting Now For A September 2018 Start.

We are delighted once again to be able to offer exciting opportunities as we open our Apprenticeship recruitment process for this year.

We are looking for enthusiastic individuals with a passion to become world class engineers within our business.

We are recruiting for Apprentice Multi-Skilled Engineers to work and train with us. Not only will you be working for a growing Food Manufacturing business but you will also be training towards recognised qualifications in Engineering.

Entry Qualifications required
The successful candidates will have, or be on target to achieve 5 GCSE’s at Grade 4 or above including Mathematics, English and Science as a minimum.

If you think you have what it takes, then post your CV for the attention of:
