Dear Mrs Rudge

On behalf of Uttoxeter Lions I would like to express our thanks to your students for their assistance in our collection for the Indonesian earthquake appeal. I had the privilege of collecting the money on Wednesday 17th October and I am pleased to report that Thomas Alleyne's have raised the sum of £142.62. This will be added to the total for the Lions' own street collections in the Maltings and forwarded to Lions Clubs International Foundation.

Lions Clubs International have already made emergency grants to provide for basic immediate needs including food, water, clothing and medicine. Through Major Catastrophe grants, Lions Clubs International helps with long-term reconstruction projects to help victims begin to return to their lives and regain their independence. All moneys will be spent on disaster relief.

Members of Lions clubs worldwide pay for all the administration costs themselves through their subscriptions and other means so every penny raised by Lions from the public goes to good causes. As Lions we feel this is an important message to be passed onto our communities.

Please pass on my heartfelt thanks to your staff and students involved in the fund raising.

Yours sincerely
