

SCHOOLS AND COLLEGES LIAISON

Although we can't see you or your students in person at the moment, we have lots of virtual activities to support your students considering higher education.

Our virtual activity package includes:

- Our Applying to University virtual event series
- Pre-recorded information, advice and guidance talks
- Live virtual talks, including subject-specific sessions
- Digital resources to access at home
- A chance to chat to our current students on Unibuddy

Live Subject Chats

We will be running our Live Subject Chats again on Saturday 6 February. Your students will be able to ask our teaching teams about the courses we offer, speak to Admissions advisors about applying and chat to current students about their experiences.

National Apprenticeship Week

National Apprenticeship Week will run from Monday 8 February to Friday 12 February. Throughout the week we will be offering some fantastic opportunities for your students to find out more about apprenticeships. These include:

- Live subject focused webinars
- Our pre-recorded "Routes into Apprenticeships" talk
- Success stories from our apprentices

Applying to University events series

Your students can join us over half term for our Applying to University events series. We will guide your students through the application process, sharing information, advice and top tips. By the end of the series we hope your students will feel well equipped to start, or continue on, their journey to higher education with confidence.
