

Welcome to Edition 121 of the Unifrog Gazette

This week: become an expert in what our UK uni search tool can do, a guide to help students practise self-care, and there's still time to join our awesome team...

Making the most out of Unifrog: helping students find their perfect university course

We're running a webinar on how to make the most out of the jewel in the Unifrog platform - our UK university search tool.

The webinar will give you pro tips on how to support students in their research. We'll show you some cool new features of the tool, plus how to track what students have done, and how to send them comments.

> When? Thursday 20 May @ 16:00 (UK)

> Book [here](#)

Resource of the week: What's your dream job?

Designed for KS3, students explore what their 'dream' jobs are, and also become familiar with using the Careers library.

> Check out the resource [here](#)

Know-how library guide of the week

'**5 ways to practise self-care on a budget**' gives students wallet-friendly tips to help them improve their overall wellbeing.

> [Here's the guide on our blog](#)

This is one of more than 700 guides for students that make up the Know-how library. Students get to this tool from their homepage; there are guides covering topics ranging from wellbeing, to being a good citizen, to progression.

Pearson Business School launches 'More than a degree' undergraduate prospectus

Pearson Business School have launched a new prospectus highlighting how they aim to deliver 'more than a degree' on their undergraduate programmes (which include subjects like Marketing, Management, Finance and Entrepreneurship).

The uniqueness of their offer derives from things like:

- their 'Talent Development' programme which builds employability skills;
- the network of industry professionals they've created around their courses;
- the fact that theirs is a small and friendly community.
